Published Work

Los Logos Volumes 6 and 7

Published in Gestalten's "Los Logos Volumes 6 and 7".

The Los Logos publication is the authoritative reference on contemporary logo design worldwide. Like the previous editions of Gestalten's best-selling Los Logos series, the book is both a guide to the latest innovations as well as a precursor to coming styles and trends.

Decorative Logo Design

Featured in the book "Decorative Logo Design" published by BNN, Inc. Tokyo Japan. Work can be found on pages: 140-141, 148-151.

Decorative Logo Design:

Logos, marks and labels represent their brands, shop identities and services. This book focuses on a selection of the best decorative logos from around the world. These decorative emblem-shaped logos are explored in detail, providing design hints for both designers and non-designers alike.
