I'm a female creative based in El Segundo, CA. I write, think, solve problems, win pitches and make you look good in meetings. My job is to be a walking solution for your brand.

Los Angeles, CA
Jan 2011 - Present

Whether you hire me for an hour, a day, a week or a year, every project gets my brain and my heart. I have fourteen years experience, ten of those on staff at ad agencies. As a freelancer, I currently work with both agencies and clients direct all over the US.
