Michelle creates handmade, sophisticated mosaic art for homes and community spaces through close collaboration with clients, interior designers and architects. She uses a variety of materials but specializes in vitreous glass and Italian smalti. She has studied with mosaic artists throughout the US and Italy. Her murals and installations may be found across the US, Europe and Mexico.

Features: Mosaic Art & Style - by Joann Locktov, 2005. Frank Gehry's Sphere Art Project (June 2004).

Michelle is available for custom projects, design consultation & gallery showings.
