

Jonathan Rahmani

GRAPHIC & WEB DESIGNER

New York

soveryverynice@gmail.com

I have enthusiasm for the conceptual and systematic facets of design, yet enjoy the fastidiousness of production. Working as a graphic and web designer in New York, I've led or collaborated on a wide range of projects, from large content-based sites for AMC Television and Flavorpill.com to interactive mini-sites for AOL and Disney.

Experience

Senior Visual Designer

HUGE

Brooklyn

Jun 2009 - Present

Designer

Ghostly International

New York, NY

2007 - Present

Design artist mini-sites, assisting in label site design, expansion, asset production, and re-design of monthly newsletter.

Senior Designer

Flavorpill

New York, NY

2007 - Jun 2009

Design solutions for brand, business, market, and customer requirements, including screen layouts, color palettes, typography, and user-interface elements. Collaborate with project team to address every angle and detail of the design and user experience.

Designer

New York, NY
