I'm a professional photographer from Barcelona, Spain. I work mainly on Catalonia and Andorra, shooting sports events and concerts. My clients include private clients, as well as editorial / news / magazines. I do a lot of stuff for Non-profit organizations.

Other areas of photography I also work in include portraiture, weddings, wildlife and landscapes, architecture...

All of my work is copyrighted, all rights reserved. Dont use it if you've not licensed it from me. Otherwise, I will find out, I will hunt you, and I will kill you. Ninja photographers don't fail. Promise! :)

## # GUARDARAILES

offered for free to the NGO Mutua Motera, Catalonia, Spain

Study on guardrails and bikers. Metal guardrails are very dangerous to motorcyclists, who suffer horrible injuries from simple accidents because of these metal "protections"

Personal Work

## Inferno: Correfocs

Series on the correfocs of Catalonia, an ancient tradition where townspeople dress up as devils and parade through town while casting fire, sparks, and crackers around.

---

## Shelters for Discarded Pets

Ongoing Series on abandoned animals at shelters.

Dogs, Cats, Horses, etc

From various shelters:

- Moli de Fals Dog and Horse Shelter, Catalonia
- Gossera Oficial, Andorra

---

## Old doors are beautiful

Series on old, battered doors. They are much more beautiful than new, boring doors.
